

Retirees/Spouses

9/30/2025

First I want to thank Dave, Steve, and Paul for filling in for me at the Sept. meeting. I had just brought my wife home from the hospital under hospice care and I was the caregiver. Sad to say she passed away the following week. The minutes from the May meeting were read and accepted. The finance report was read and accepted. No old business. Paul opened up the floor to anyone who wanted to talk about their summer vacations. The Oct. meeting is on the 14th, ten o'clock at the hall. The Oct. letter. I'll have some information from Kathy Clement about what her people need to bring to the Nov. meeting. She will be staying to help anyone that needs to see her. Again this is for the Nov. meeting
