

Retirees / Spouses

5/27/2025

The May meeting was a short one I expected a good number because the VA rep. was coming. He called late Monday to say he had to go settle a labor dispute. I was glad that happened because only 7 people came to the meeting. It would have been awful if he came all the way here for 7 people. Thank you for the ones who came. Other than Kathy Clement who is coming in Nov. I won't be asking anyone else to come speak. I was hoping to get more interest back so we could go back to the days when every couple of months I had someone in to speak. Steve was out of town so we had no work report. I've had a doctor appt. that day so he asked me to mention the service awards breakfast again, Oct 18th. Letters to anyone getting an award will go out end of summer. This was our last meeting for the summer. We will start up in September. A letter will go out late Aug. about the meeting. Have a good and safe summer.

Hore - 603-736-4626
